Trademarks
“Deloitte,” the Deloitte logo, and certain product names that appear in this document (collectively, the “Deloitte Marks”), are trademarks or registered trademarks of entities within the Deloitte Network. The "Deloitte Network" refers to Deloitte Touche Tohmatsu Limited (DTTL), the member firms of DTTL, and their related entities. Except as expressly authorized in writing by the relevant trademark owner, you shall not use any Deloitte Marks either alone or in combination with other words or design elements, including, in any press release, advertisement, or other promotional or marketing material or media, whether in written, oral, electronic, visual, or any other form. Other product names mentioned in this document may be trademarks or registered trademarks of other parties. References to other parties’ trademarks in this document are for identification purposes only and do not indicate that such parties have approved this document or any of its contents. This document does not grant you any right to use the trademarks of other parties.

Illustrations
Illustrations contained herein are intended for example purposes only. The patients and providers depicted in these examples are fictitious. Any similarity to actual patients or providers is purely coincidental. Screenshots contained in this document may differ from the current version of the HealthInteractive asset.

Deloitte
Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.

1 Introduction

Overview

This training manual will cover KHIE’s Image Exchange functionality in the ePartnerViewer. Users with Clinical Roles will have the ability to view images and authorized Clinical Users with the PACS Administrator role will be able to export the images to a destination Picture Archiving and Communication System (PACS) of their choosing. The PACS Administrator role will be discussed in Section 5 of this guide.

All examples and screenshots used in this guide are simulated with mock data; no Protected Health Information (PHI) is present.

Please Note: All screenshots shown throughout this document reflect how Users would interact with the ePartnerViewer while using a desktop or tablet device. While core functionality remains the same across multiple devices, interface components may vary in presentation.

Supported Web Browsers

Users must access the ePartnerViewer with a supported web browser. The ePartnerViewer is configured to support the following modern browsers on desktop, tablet, and mobile devices:

<table>
<thead>
<tr>
<th>Desktop Browser Version</th>
<th>Mobile Browser Version</th>
</tr>
</thead>
<tbody>
<tr>
<td>Microsoft Internet Explorer</td>
<td>Not supported</td>
</tr>
<tr>
<td>Microsoft Edge</td>
<td>Version 44+</td>
</tr>
<tr>
<td>Google Chrome</td>
<td>Version 70+</td>
</tr>
<tr>
<td>Mozilla Firefox</td>
<td>Version 48+</td>
</tr>
<tr>
<td>Apple Safari</td>
<td>Version 9+</td>
</tr>
<tr>
<td></td>
<td>iOS 11+</td>
</tr>
</tbody>
</table>

Please Note: The ePartnerViewer does not support Microsoft Internet Explorer. To access the ePartnerViewer, Users must use a modern browser such as Google Chrome, Microsoft Edge, Apple Safari, or Mozilla Firefox.

Mobile Device Considerations

The ePartnerViewer is based on responsive design. This means it renders in the best format based on the user’s device size. Responsive design applies to mobile, tablet, and desktop devices. Tablet devices in landscape display mode are considered desktop.
Accessing the ePartnerViewer

To access the ePartnerViewer, users must meet the following specifications:

1. Users must be part of an organization with a signed Participation Agreement with KHIE.
2. Users must be provisioned with a Clinical Role in the ePartnerViewer.
3. Users are required to have a Kentucky Online Gateway (KOG) account.
   - Details on creating a KOG account are in Section 2 KOG Registration and Login of this guide.
4. Users are required to complete Multi-Factor Authentication (MFA).
   - Details on MFA are included in the Multi-Factor Authentication (MFA) subsection in Section 2 KOG Registration and Login of this guide.

2 KOG Registration and Login

Create a KOG Account

1. When provisioned with the PACS Administrator Role in the ePartnerViewer, Users will receive an invitation email to register for the Kentucky Online Gateway (KOG).
2. Users must click the hyperlink named Click here to Complete the Process that’s located in the Invitation email.

---

[EXTRACTED TEXT]

Jane Doe,

You’ve been identified as an authorized user of the Kentucky Health Information Exchange, KHIE.
Please follow the instructions below to gain access to the KHIE Interim Portal.

Click here to complete the process

Kentucky Online Gateway

NOTE: Do not reply to this email. This email account is only used to send messages.

Privacy Notice: This email message is only for the person it was addressed to. It may contain restricted and private information. You are forbidden to use, tell, show, or send this information without permission. If you are not the person who was supposed to get this message, please destroy all copies.

---

Please Note: This link is active for seven days. The registration link is only valid for a one-time use. If Users click the link and do not complete the registration process, a new link must be sent. If the link expires, the KHIE Org Admin must send another invitation to create a Kentucky Online Gateway (KOG) account.
3. The **KOG Landing Page** displays. If Users do not have an existing KOG account, Users should click **Create Account**.

![KOG Landing Page](image)

**Please Note:** If Users already have an existing KOG account with the same email address from which they received the invitation to enroll, they should not create a new account. These Users should log into KOG using their existing credentials.

4. From here, Users will enter their Registration Information. Mandatory fields are marked with asterisks (*).

5. Enter **First Name**.

6. Enter **Last Name**.

7. Enter **Email Address**.

   **Please Note:** Users MUST register using the same email address from which they received the invitation to enroll.

8. Confirm **Email Address**.

9. Enter **Password**.

10. Confirm **Password**.

11. Enter **Street Address**, **City**, **State**, and **Zip Code**.

12. Enter **Answer** to Security **Question 1**.
13. Enter **Answer** to Security **Question** 2.
14. After completing the mandatory fields, click **Sign Up**.

15. After clicking **Sign Up**, users are directed to a validation screen displaying the following message:

   **Your account has been requested and is pending email verification. Please check your email and click on the link provided to verify your account.**

16. Users must check their email to complete the KOG Account Validation process.

   **Please Note:** If the verification email is not in the inbox, Users should check the **Junk** and **Spam** folders.
KOG Account Validation

17. Users will receive an email at the email address they provided when creating the account. This email is titled Account Verification from KOG_DoNotReply@ky.gov.

18. Click the link in the email to proceed.

```
From: KOG_DoNotReply <KOG_DoNotReply@ky.gov>

NOTE: Do not reply to this email. This email account is only used to send messages.

Privacy Notice: This email message is only for the person it was addressed to. It may contain restricted and private information. You are forbidden to use, tell, show, or send this information without permission. If you are not the person who was supposed to get this message, please destroy all copies.
```

19. Clicking the link navigates you to the KOG Login Page.
20. On the **KOG Login Page**, Users must enter their **Email Address**.

**Please Note:** Users must enter the email address provided when creating their KOG account.

21. Users must then enter their **Password**.

**Please Note:** A User's password is the password provided when creating their KOG account.

22. Users must click **Sign In**.
23. After logging in, users have the option to register as an organ donor.
   - To register as an organ donor, Users should click **Yes, Register Now**.
   - When Users do not want to register as an organ donor, they should click **Remind me later** to proceed.

   ![Image of Kentucky Organ Donor Registration](image)

**Multi-Factor Authentication**

After logging in, Users are asked to complete Multi-Factor Authentication or MFA. Users have the option to receive an MFA passcode by Email or Text.

**MFA by Email Verification**

1. To receive the MFA passcode by email, select the **MFA by Email Verification** button and click **Send Passcode**.

   ![Image of Multi-Factor Authentication](image)
2. Users must open an email titled *Passcode for MFA* from KOG_DoNotReply@ky.gov. Users must open this email in a separate tab.

```
From: KOG_DoNotReply
To: jane.doe@gmail.com
Subject: [EXT] Passcode for MFA
Date: Tuesday, September 8, 2020 9:34:04 PM

Jane Doe,

The application you are trying to access requires Multi-Factor Authentication.

Please use the following verification code within the next 5 minutes to complete the MFA process: 97526380

If you need any assistance further, please contact the Kentucky Online Gateway Help Desk.

Kentucky Online Gateway
Kentucky Online Gateway Help Desk

NOTE: Do not reply to this email. This email account is only used to send messages.

Privacy Notice: This email message is only for the person it was addressed to. It may contain restricted and private information. You are forbidden to use, tell, show, or send this information without permission. If you are not the person who was supposed to get this message, please destroy all copies.
```

3. Users must enter the **8-digit code** that is in the body of the email into the *Enter Passcode* field on the **Multi-Factor Authentication** screen.
4. Users must click **Authenticate** to proceed.
MFA by Phone Verification
1. To receive the MFA passcode by text, click the MFA by Phone Verification button.
2. Users who have not registered their phone number should select Click here to register your Mobile number.
3. The Register Your Mobile Number screen displays for Users who have not registered their phone number. Users must enter their mobile phone number and click Send Passcode.

Please Note: The Register Your Mobile Number screen does not display for Users who have already registered their phone number. Instead, these Users will be prompted to enter the passcode to validate and verify identity on the Multi-Factor Authentication screen.
4. Users will receive a text message from the Kentucky Online Gateway that will include a passcode that will be used for verification.

5. To verify the mobile number, Users must enter the **8-digit code** from the text message into the *Enter Passcode* field on the **Multi-Factor Authentication** screen.

6. Users must click **Validate & Verify** to proceed.

**Please Note:** It may take up to 5 minutes to receive the passcode via text message. Users should click **Resend passcode** if they did not receive the text message within 5 minutes.

**Please Note:** Users must enter the passcode within 5 minutes of receiving the text message.
3 Logging into ePartnerViewer

1. To navigate to the ePartnerViewer, click Launch on the KHIE ePartnerViewer application tile located on the KOG Dashboard screen.

2. Multi-Factor Authentication. After logging in, users are asked to complete Multi-Factor Authentication or MFA. Users have the option to receive an MFA passcode by Email or Text.
   - To complete Multi-Factor Authentication by Email, Users must complete steps 1 through 4 in sub-section MFA by Email Verification.
   - To complete Multi-Factor Authentication by Text, Users must complete steps 1 through 6 in sub-section MFA by Phone Verification.
Terms and Conditions of Use and Logging In

After logging into the Kentucky Online Gateway, launching the ePartnerViewer application, and completing Multi-Factor Authentication, the Terms and Conditions of Use page displays. Privacy and security obligations are outlined for review.

3. Users must click I Accept every time before accessing a patient record in the ePartnerViewer.

Please Note: The right side of the Portal is grayed out and displays a message that states: [Access is restricted beyond this point. You must accept the terms and conditions before proceeding.]
4. Once Users click **I Accept**, the grayed-out section becomes visible. A message appears that indicates the User is associated with an **Organization**. (This is the name of the User’s organization.)

5. Users must click **Proceed to Portal** to continue.

**Please Note:** Users who click **Cancel** will see a pop-up notification that indicates the User is **about to be logged out**. **Use of the ePartnerViewer portal is subject to the acceptance of KHIE’s Terms of Use.** Users must click either **Logout Now** or **Cancel** to proceed to the ePartnerViewer.
4 Viewing Images in the ePartnerViewer

Users with a Clinical User Role are authorized to view scaled-down diagnostic images in the ePartnerViewer.

1. Upon logging in, the ePartnerViewer opens in myDASHBOARD where Users can quickly search for a patient by entering the patient’s First Name, Last Name, and Date of Birth.

   Please Note: Users should enter the patient’s Date of Birth to narrow down the Patient Match results in case there are multiple patients with the same first and last names.
   
   If the patient’s Date of Birth is unknown, Users should click Advanced Search to enter the patient’s Age Range.
   
   If the patient’s Sex is known, Users should select the Patient Sex.

2. Click Search.
3. The Patient Search results display. Select the appropriate Patient Match.
4. Click **View** to open the patient record. It will open in the **Patient Summary**.

![Patient Search Result](image1)

5. Click the **Reports** tab to view the images.

![Reports Tab](image2)
6. Click the **Images** tab.

7. Select the **desired document** from the list of Available Documents located on the left side of the screen.
8. The images display as thumbnail images. To view a larger version, click on the desired thumbnail image.

9. A larger version of the image displays.

**Please Note:** The images viewed in the ePartnerViewer are low resolution images and are not intended for diagnostic purposes. To view high resolution images, Users with the **PACS Administrator** role must export images to their local Picture Archiving and Communications System (PACS).
5 Exporting Images

To view high-resolution images, Users must export images to their local Picture Archiving and Communications System (PACS) using DICOM or XCA-i. Only authorized Clinical Users with the additional PACS Administrator role have the option to export images to a local PACS system.

**Please Note:** Prerequisite: Users must have Clinical User role and PACS Administrator role to export images. In order to view images, Users must have a Clinical User role. In order to export images, Users must have a Clinical User role to view the images PLUS the PACS Administrator role to export the images.

1. Click **Actions**. Under the **Actions** drop-down, click **Export**.
2. An Export Images Pop-up Menu displays. Select the **appropriate target PACS system** from the Destination field drop-down.

![Export Images Pop-up Menu](image)

3. Select the **appropriate series** for exporting the image.

![Select Series](image)

**Please Note:** By default, all series are selected. Users must de-select the **Select All** button, then select the appropriate series to export the image from a specific series.
4. If desired, enter **additional details** about the image in the *Comments* field.

5. Once complete, click **OK**.

6. The **Exports** screen displays the status and details of the image export. The green checkmark indicates that the image was successfully exported.
7. Click the Green Checkmark to view additional details of the image export.

---
